

SENIOR LEVEL FINANCIAL AND BUSINESS CONSULTANT

JACOBS CONSULTANCY, internationally recognized consultants to airport management for 60 years, is seeking self-motivated professionals with at least 5 years of work experience, particularly in aviation, banking, business consulting, economics, or economic development, to work as Airport Financial and Business Senior Consultants in our main office in Burlingame, California. JACOBS CONSULTANCY looks for outstanding candidates with strong credentials, with a passion for client service, and who enjoy working as part of a team on cutting-edge projects for U.S. and international clients. For more information on JACOBS CONSULTANCY, please visit our website at <http://www.jacobs-consultancy.com>.

An undergraduate or graduate degree in business, finance, economics, public policy or a related field is required. Senior Consultants may undertake technical studies and analyses related to economic analyses and forecasting, financial modeling, analyses of capital programs, revenue bond feasibility studies, calculation of rates and charges, negotiations with airlines and other airport tenants, and management studies. Senior Consultants will, after training, be expected to undertake project leadership and management, business development and practice management activity. Candidates must have strong analytical, interpersonal, writing, and verbal communications skills, including a working familiarity with MS Excel and Word.

JACOBS CONSULTANCY offers highly competitive compensation and benefits package and the opportunity to work side by side with recognized industry leading professionals, all looking to create a firm without limits to creativity and professional growth. JACOBS CONSULTANCY is an equal opportunity employer. EOE/MFHV
